ATEC

E3 Retail Cash Automation

Built to cover the full spectrum of cash flow in retail environments, our Multi-Functional ATM goes beyond conventional cash handling. Engineered for retail back-office use, it empowers store staff to handle opening float and daily closing efficiently with full note and coin recycling in a single unit. With real-time inventory visibility and support for 8 note denominations, it's the complete cash management hub your retail operation needs.

8	18,200	14,400	12,900
