LTA-100 (T_1)

Teller Cash Recycler

Built for the modern teller line, the LTA-100(T1) Teller Cash Recycler fits seamlessly under the desk, keeping your counter clean and your workflow uninterrupted. Designed to support multiple simultaneous users, it eliminates bottlenecks during peak hours without taking up valuable floor space. A 7-inch tilting touchscreen puts full control at the teller's fingertips, while up to 6-denomination support, a 9,550-note* capacity, and AI-based counterfeit detection ensure every transaction is handled with speed and precision. Purpose-built for the modern branch, the LTA-100(T1) turns cash handling into a seamless part of the teller experience.
