LTA-380

Teller Cash Recycler

The high-capacity under-desk cash recycler built for branches that demand more. With a 17,100-note* capacity, support for up to 10 denominations, and continuous feeding up to 500 notes per transaction, the LTA-380 is engineered to handle even the most cash-intensive teller environments without interruption. An integrated operation cassette enables supervisor-free loading, unloading, and fully automated self-audit reducing downtime and keeping your branch running efficiently. Compact enough to fit under the desk, powerful enough to lead the floor.
