LTA-450

Teller Cash Recycler

When volume is the priority, the LTA-450 sets the benchmark. With an industry-leading 22,800-note capacity and support for up to 10 denominations, it is purpose-built for the highest-volume teller environments where replenishment frequency and downtime are critical concerns. Continuous feeding of up to 500 notes per transaction, supervisor-free operation cassette loading, and fully automated self-audit keep your branch running at peak efficiency throughout the day. Backed by a UL291 Level 1 certified safe, the LTA-450 delivers the capacity, reliability, and security that high-demand branches require.
